**FUNGI / MOLD LIMITED COVERAGE FORM REVISION
APPROVED IN MARYLAND AND DELAWARE**

BACKGROUND

MSO® previously announced the revision of its Commercial Lines Fungi/Mold Limited Coverage endorsement MCP 140 for use in New Jersey and Pennsylvania, and MCP 141 for use in Maryland and Delaware. These forms are applicable to the Commercial Property, Special Contractors, Farmowners, House of Worship, Garage, and Businessowners programs.

Revisions included minor wording changes to section 2.C., (Aggregate/Total Limit), to add the words “annual” and “per location”. “Limit of Liability” wording also replaced the “Aggregate/Total Limit” wording. More entry space was also provided in Section 1, enabling more location, building, and liability limit information to be added, the intent being to provide for the inclusion of separate and distinct limits for each listed location and building.
