- \$10,000 Medical Payments – Coverage F

MSO ACTION

MSO filed and received approval for the optional increased limits.

EFFECTIVE DATE

COMPANY ACTION

These are new options for the MSO program. If a company currently offers either of these options, then the company must decide if they are going to adopt, delay adoption or not adopt these options. If the company elects not to adopt or to delay adoption after the effective date, they should notify the Insurance Department of their intent. MSO is available to act on a company's behalf upon request of the company.

If a company does not currently offer these options, then no additional filing is needed.
