NEW ENDORSEMENTS INTRODUCED IN NEW YORK

BACKGROUND

It is the intent of the Aircraft Exclusion under the MSO main policy forms that unmanned aerial vehicles, also known as drones, should be excluded for liability coverage. For clarification purposes, MSO has added an optional drone exclusion to make it clear that losses due to such unmanned aerial vehicles are not intended to be covered. Optional coverage endorsements are also being introduced.

We have also clarified that the Aircraft Cause of Loss definition now includes unmanned aerial vehicles for property coverage.

In addition, an Electronic Aggression Exclusion has also been introduced.
